

2010

Dear To Whom It May Concern:

This year at Tustin Western Little League, we are dealing with the most difficult financial times that our baseball league has faced in its 50 year history. While we fully understand that each one of your businesses and families is facing the same conditions, our Little League must move forward!

While we on the Board are looking at and implementing many ways to cut costs, we will be taking on many projects and responsibilities that need to be completed this year. To make this a reality, we need all the sponsors we can get.

Our goal is to give the TWLL players the same opportunity for success that the 2009 teams had. Even with a shrinking economy we were able to field teams that won! In 2009 TWLL teams were the 11-12 year old Section 5 Champions, the 10-11 year old STATE CHAMPIONS and the 9-10 year old Pool Play District 30 Champions. We also had the Tustin Mets (a team based on TWLL players and managers) travel back east to win the Cooperstown World Series.

Please review the attached sponsorship application and donate to TWLL. Your donations are appreciated to keep our organization going, especially in these challenging economic times. We honor all anonymous donations. We also encourage all of our 657 families to frequent all local businesses and/or contact you for any business dealings. TWLL is an all-volunteer league so no donation amount is too small. All donations are tax deductible.

If you are unable to sponsor yourself, but know someone who might want to, please send us an e-mail or feel free to forward this information. Thank you for your help and continued support.

Please send all donations to the address below.  
Donations can also be charged by contacting us below.

Sincerely,
